Your Funds are now deposited with our security company insured in your Name. We ask that you keep this award confidential from public notice until your claim has been processed and your money remitted to your account as this is part of our security protocol to avoid double claiming or unwarranted taking advantage of this program by participants.

All participants were selected through a computer ballot system drawn from 25,000 Names in Canada, The United States, and Mexico as part of our North American promotions program, which we conduct once a year. Your Name will automatically be entered in our high stake International sweepstakes draw with the total Jackpot amounting to 15 Million dollars. 1500000 people will be selected to enter for the grand prize drawing from North America, Europe, Japan and China.

To begin your claim, please contact your claims agent with the telephone number provided below, for the processing and remittance of your prize winnings to a designated account of your choice. Please be informed that 10% of your lottery winnings will be paid to our security company to complete all legal documents, accounting forms and IRS tax forms by an attorney and certified accountant. This 10% will be remitted after you have received your money because this money is already insured in your name. The beneficiary is responsible for the remittance charge, duties and any brokerage charges to his/her country.

Please be warned, that neither the lottery board nor our claims agents will be liable or held responsible for any pay-out cancellation or withdrawal caused by a double claim over the winning prize. You must contact one of our security withholdings agents in order for us to release these funds. Attempting to deposit the attached check without speaking with an agent will result in a void transaction and the funds will not be transferred at which point you will be responsible for any cancellation fees imposed by your bank.
